

Young Swiss Economists Meeting 2024

Call for Papers

The upcoming annual Young Swiss Economists Meeting (YSEM) of the Swiss Society of Economics and Statistics ([SSES](#)) will be organised by KOF Swiss Economic Institute at the ETH Zurich ([KOF](#)) on February 15 and 16, 2024. We invite PhD students and Postdocs to submit a paper to be presented at this workshop. This is a general interest workshop for young researchers, so papers can be in any field of economics or related social sciences.

How do I submit?

Please submit papers by applying through the SSES webpage (<https://www.sgvs.ch/conferences/ysem2024>). The submissions portal will open on the 16th of October.

The manuscript can be at an early stage – in fact we encourage to submit also if the manuscript is still work in progress to get feedback on the ideas and preliminary results.

When and where does YSEM 2024 take place?

The YSEM 2024 will take place at KOF, ETH Zurich on February 15-16, 2024.

Why should I attend?

The conference provides important services to participants

- Authors of accepted papers have an opportunity to present the paper
- Each paper will be discussed by a discussant and the audience at large
- Participants get a chance to develop a professional network

Submission deadline: 22.11.2023

What do I pay?

The conference is free for members of the SSES.

You need to become a member of SSES upon acceptance.

Participants register and pay for hotel accommodation and travel by themselves.

There will be a conference dinner on Thursday evening (February 15).

Who evaluates my work?

A program committee that consists of professors in most fields evaluates the work you submit and makes the admission decision. We will communicate the admission decision around Christmas at the latest.
