

SWISS SOCIETY OF ECONOMICS AND STATISTICS (SSES)

Annual Meeting

Thursday June 29 and Friday June 30, 2023

"INTERNATIONAL SPILLOVERS"

Call for Papers

The **Institute of Economic Research (IRENE) of the University of Neuchâtel** is proud to host the 2023 Annual Congress of the Swiss Society of Economics and Statistics (SSES/SGVS) on **June 29** (Thursday) and **June 30** (Friday), 2023.

The special theme of the meeting will be "**International Spillovers**", with contributions in micro- and macroeconomics, as well as finance. For the general part of the meeting, we welcome and encourage submissions across **all fields** of economics and statistics.

Keynote speeches will be delivered by **Scott Taylor** (University of Calgary) and **Eric Monnet** (EHESS & Paris School of Economics). In addition, we host a policy panel discussion with board members of various policy institutions.

PAPER SUBMISSION: Authors are invited to submit their preliminary or complete papers electronically (PDF files only) to: www.sgvs.ch/conferences/sses2023.

Submission deadline: January 31, 2023.

The submitting authors will be notified of the Program Committee's decision by March 31, 2023. Registration opens on March 31 and early bird registration ends on April 30, 2023.

Presenters of accepted papers and other interested attendees have to be members of the SSES. Joining the SSES is possible later on as part of the registration process.

SSES Young Economist Award: Authors who wish to be considered for the 2023 SSES Young Economist Award should indicate this when submitting their paper.

Swiss Journal of Economics and Statistics: A selection of contributions related to the special topic will be published in the *Swiss Journal of Economics and Statistics* (www.sjes.ch).

We are looking forward to your contribution.
