

# Erhebungen über Vermögen, Schulden und Erwerb im Kanton Aargau 1906/07 (1892).

Ausgeführt durch J. Kistler, kant. Steuerpräsident.

## Vorwort.

Die nachstehende Vermögens- und Erwerbsstatistik ist das Resultat einer mühsamen Arbeit. Sie gibt Aufschluss über Besitz und Einkommen im Kanton Aargau, und sei den Staats-, Gemeinde- und Steuerbehörden, sowie jedem, der sich um solche Dinge interessiert, zur Beachtung empfohlen!

## Erläuterungen und Ergebnisse.

### Tabelle I. Vermögen an Immobilien.

Diese Tabelle enthält gemeinde- und bezirksweise das liegenschaftliche Vermögen der Gemeinde-, Bezirks- und Kantonseinwohner, ohne die Gemeinde- und Stiftungsgüter (Gebäudeschatzung, aufhaftende Schulden, reines Vermögen; Grundschatzung, aufhaftende Schulden, reines Vermögen; beides zusammengezogen). Was Gemeindeglieder in andern Gemeinden des Kantons besitzen, ist in den Wohngemeinden mitgerechnet. Der Liegenschaftsbesitz ausser dem Kanton wohnender Eigentümer ist unter „ag“ besonders angegeben und in den Hauptsummen nicht inbegriffen.

Das Totalergebnis (Kanton) dieser Tabelle ist:

|                     | Schatzung       | Schulden        | Rein            |
|---------------------|-----------------|-----------------|-----------------|
| <i>Gebäude:</i>     | Fr. 391,082,391 | Fr. 195,849,633 | Fr. 195,232,758 |
| <i>Grundbesitz:</i> | „ 281,660,792   | „ 117,353,795   | „ 164,306,997   |
| <i>Immobilien:</i>  | „ 672,743,183   | „ 313,203,428   | „ 359,539,755   |

### Auswärtige besitzen im Kanton

|                     | Schatzung     | Schulden      | Rein          |
|---------------------|---------------|---------------|---------------|
| <i>Gebäude:</i>     | Fr. 4,482,580 | Fr. 2,379,654 | Fr. 2,102,926 |
| <i>Grundbesitz:</i> | „ 5,362,971   | „ 923,948     | „ 4,439,023   |
| <i>Immobilien:</i>  | „ 9,845,551   | „ 3,303,602   | „ 6,541,949   |

### Tabelle II. Mobiles Vermögen.

Hier ist gemeinde- und bezirksweise aufgeführt das Vermögen an Kapitalien, Gewerbefonds und Fahrhabe der Kantonseinwohner (ohne die Gemeinde- und Stiftungsgüter) und der Betrag der in Abrechnung

gebrachten Schulden. In den Kapitalsummen sind inbegriffen die Aktienkapitalien der Aktiengesellschaften und der für die Staatssteuerberechnung zum Abzug angemeldete Privatbesitz an aargauischen Aktien; letzterer beträgt zusammen Fr. 17,484,795. Inbegriffen ist ferner das von den Aktiengesellschaften versteuerte Vermögen an Immobilien, das dann wieder unter „Schulden“ figuriert; es beträgt Fr. 17,628,739. Zur richtigen Darstellung des Vermögens sind diese beiden Summen an der Totalkapitalsumme abzurechnen und die Schulden um den letztern Betrag (die Immobilien) zu vermindern. Im Gewerbefonds sind die Reservenkapitalfonds einiger Aktiengesellschaften und Geldinstitute mit Fr. 16,803,794 inbegriffen; sie sind daran ab- und der Kapitalsumme zuzurechnen. Die in dieser Rubrik als Schulden angerechneten versteuerten Liegenschaften sind mit Fr. 525,670 von den Schulden und wären auch von der Totalkapitalsumme abzuziehen.

Nach diesen Umrechnungen ist das Ergebnis der Tabelle II folgendes:

|                          |                 | Schulden      | Rein            |
|--------------------------|-----------------|---------------|-----------------|
| <i>Kapitalien:</i>       | Fr. 304,098,702 | Fr. 3,388,545 |                 |
| <i>Gewerbefonds:</i>     | „ 100,773,946   | „ 19,154,646  |                 |
| <i>Fahrhabe:</i>         | „ 98,743,232    | „ 1,601,144   |                 |
| <i>Mobiles Vermögen:</i> | „ 503,615,880   | „ 24,144,335  | Fr. 479,471,545 |

### Tabelle III. Seelenzahl. Steuerpflichtige. Total des Vermögens, der Schulden, des Erwerbs; per Kopf; $\frac{3}{4}$ Staatssteuer.

Die Seelenzahl, 206,498, ist diejenige der Zählung von 1900 (Wohnbevölkerung). Die Anzahl der Steuerpflichtigen, ohne die Gemeinde- und Stiftungsgüter, und die ausser dem Kanton wohnenden Eigentümer von Liegenschaften, und ohne die mit Liegenschaftsbesitz in andern Gemeinden ein zweites und weiteres Mal in den Steuerbüchern Eingetragenen, beträgt 61,509. Steuerpflichtige Gemeinde- und Stiftungsgüter sind es 1182. Ausser dem Kanton wohnende steuerpflichtige Eigentümer von Liegenschaften und Steuerpflichtige auch in andern als den Wohngemeinden werden gezählt 17,107. Gesamtzahl der Steuerpflichtigen (Steuerkonti) 79,798.

Unter Berücksichtigung der in Tabelle II angegebenen Ab- und Umrechnungen ergeben sich

*Totalvermögen an Immobilien und Mobilien:*

Fr. 1,176,359,063.

*Total Schulden mit und ohne Pfandrecht:*

Fr. 337,347,763.

Reinvermögen: Fr. 839,011,300, per Kopf Fr. 4063.

Totalerwerb: Fr. 60,483,587, per Kopf Fr. 293.

Im Vermögen sind die steuerfreien Fr. 2000 der Witwen, Waisen und Erwerbsunfähigen, die steuerfreien Fr. 300 an Gewerbefonds (Berufsgeräten) und die steuerfreien Fr. 500 an Fahrhabe mitgerechnet. Ebenso ist der Erwerb voll, ohne Abzug erster Fr. 400 (Existenzminimum), berechnet.

$\frac{3}{4}$  Staatssteuer. In den Beträgen sind die Leistungen aller Steuerpflichtigen, der Gemeinde- und Stiftungsgüter und der Auswärtigen enthalten. Pro 1907 ist der Totalbetrag Fr. 1,022,217. 80 Cts., per Kopf Fr. 4. 95 Cts.

#### Tabelle IV. Vermögen der Gemeinden (Gemeinde- und Stiftungsgüter).

Diese Tabelle enthält das Vermögen der Gemeinden als solcher (Einwohnergemeinde-, Schul-, Ortsbürger-, Armen-, Kirchen- und Pfrund-, Kapellen-, Bruderschafts- und andere Stiftungsgüter).

|                        | Schatzung      | Schulden      | Rein           |
|------------------------|----------------|---------------|----------------|
| <i>Gebäude:</i>        | Fr. 38,471,754 |               | Fr. 38,471,754 |
| <i>Grundbesitz:</i>    | " 55,279,577   | Fr. 9,918,851 | " 45,360,726   |
| <i>Kapital:</i>        | " 44,272,682   | " 18,685,387  | " 25,587,295   |
| <i>Fahrhabe:</i>       | " 4,085,446    | "             | " 4,085,446    |
| <i>Total Vermögen:</i> | " 142,109,459  | " 28,604,238  | " 113,505,221  |

Das Vermögen an Gebäuden ist mit wenigen Ausnahmen steuerfrei. Der Grundbesitz, soweit er nicht allgemeines öffentliches Gut oder als solches zu achten ist (Ortsstrassen, öffentliche Anlagen und Plätze, Friedhöfe, Turnplätze u. dgl.), ist nur staatssteuerpflichtig, ausgenommen die in andern Gemeinden gelegenen Gemeindegrundstücke (Wald u. a.), die, wo sie liegen, auch zu Gemeindezwecken besteuert werden. Die Pfandschulden haften teils auf den Gebäuden, teils auf dem Grundbesitz, in welchem Verhältnis, war nicht zu ermitteln; sie sind am Grundbesitz abgerechnet. Das Kapitalvermögen der eigentlichen Gemeindegüter hat nur Staatssteuer zu bezahlen. Die Fahrhabe (Schul-, Kirchen-, Lösch- und anderes Mobilien) ist steuerfrei; ihr Wert ist in der obstehenden Summe nicht vollständig enthalten, da verschiedene Gemeinden sie nicht versichert und nicht geschätzt haben. Die Obligationsschulden sind zur Ermittlung des Reinvermögens am Kapital in Abzug gebracht,

für die Besteuerung jedoch nicht abzugsberechtigt, denselben nicht die Kapitalgüter, sondern die schuldenrischen Gemeinden mit ihrer Steuerkraft gegenüberstehen. In einzelnen Gemeinden sind auch die Wasserversorgungs- und ähnlichen Einrichtungen als Zubehör zu den Liegenschaften gewertet und unter den Hauptsummen zugeschrieben.

#### Tabelle V. Zusammenstellung des Privat- und Gemeindevermögens 1906/07.

Diese Zusammenstellung ist nur nach Bezirken durchgeführt, da die gemeindeweise Ausarbeitung zu viel Raum erfordert hätte. Das Totalergebnis für den Kanton (ohne Mitrechnung von ag Tab. I) ist:

|                        | Schatzung       | Schulden        | Rein            |
|------------------------|-----------------|-----------------|-----------------|
| <i>Gebäude:</i>        | Fr. 429,554,145 | Fr. 195,849,633 | Fr. 233,704,512 |
| <i>Grundbesitz:</i>    | " 336,940,369   | " 127,272,646   | " 209,667,723   |
| <i>Kapital:</i>        | " 348,371,384   |                 | " 305,541,662   |
| <i>Gewerbefonds:</i>   | " 100,773,946   | " 42,829,722    | " 100,773,946   |
| <i>Fahrhabe:</i>       | " 102,828,678   |                 | " 102,828,678   |
| <i>Total Vermögen:</i> | " 1,318,468,522 | " 365,952,001   | " 952,516,521   |

#### Vergleichungen.

Die letzten statistischen Zusammenstellungen des Vermögens u. s. w. im Kanton Aargau sind 1892 gemacht worden auf Grundlage der durch die Aktuare der Gemeindesteuerkommissionen angefertigten Auszüge aus den Steuerbüchern. Die vorliegenden neuen Zusammenstellungen sind das Ergebnis der vom Steuerpräsidenten selbst gemachten Steuerbuchabschriften 1906/07. 1892 waren zum Gemeindevermögen auch die Vermögen von Aktiengesellschaften und Geldinstituten mitgerechnet, während die neue Arbeit privates Vermögen und direktes oder indirektes Gemeindevermögen auseinanderhält. Dennoch sind die Ergebnisse von 1892 denjenigen von 1906/07 beigefügt, und die erstern sind, soweit es möglich war, den letztern entsprechend korrigiert. Hier beschränkt sich der Bearbeiter auf die Vergleichung der Gesamtergebnisse und einige Ansichtsäusserungen zu denselben.

#### I. Gebäude.

Totalschatzung 1906/07 Fr. 429,554,145.

" 1892 " 236,329,674.

Zuwachs " 193,224,471.

Der Zuwachs rührt her zum grössten Teil von der 1898/99 allgemein durchgeführten Neuschätzung der Gebäude, zu einem weitem Teil von vielen Neubauten und endlich auch daher, dass verschiedene Gebäude (Kirchen, Pfarrhäuser) aus Staats- nun Gemeindeeigentum geworden sind.

## II. Grundbesitz.

|                        |                  |
|------------------------|------------------|
| Totalschatzung 1906/07 | Fr. 336,940,369. |
| „ 1892 . . . „         | 310,586,823.     |
| Höferschatzung . . . „ | 26,353,546.      |

Die Schatzungen des Kulturlandes sind 1892 und seither in den meisten Gemeinden nur unwesentlich abgeändert worden. Reduktionen haben da und dort beim Rebland stattgefunden und werden, so wie die Aussichten für den Weinbau sind, wohl noch weiter vorgenommen werden müssen. Dem Verkehrswert mehr entsprechend ist der überbaute oder zur Überbauung ausersehene Boden höher geschätzt worden in den Gemeindegebieten mit zunehmender Industrie und wachsendem Verkehr. Zuwachs hat die Grundschätzung erhalten durch das einzelnen Gemeinden zugewiesene Pfrundland, durch die als Zubehör zu Grund und Boden bewerteten Wassereinrichtungen u. dgl. und auch infolge einzelner Gemeindebannvermessungen.

Es wird immer wieder behauptet, es bestehe in der Bodenschätzung eine ungerechte Ungleichheit. Dieser Behauptung ist entgegenzuhalten, dass Gleichheit die grösste Ungerechtigkeit wäre; denn nicht nur Lage und Bodenbeschaffenheit sind zu berücksichtigen, sondern auch der Ertrag und der Verkehrswert, und die letztern sind je nach den örtlichen Verhältnissen und der Bewirtschaftungskraft sehr verschieden.

## III. Kapital.

|                      |                  |
|----------------------|------------------|
| Betrag 1906/07 . . . | Fr. 348,371,384. |
| „ 1892 . . . „       | 196,565,029.     |
| Vermehrung . . . „   | 151,806,355.     |

Diese Vermehrung ist jedenfalls zu einem grossen Teil seit 1892 neu erworbenes und neu angelegtes Kapital und beweist, dass die Periode von 1892 bis 1907 eine wirtschaftlich günstige gewesen ist. Das Kapitalvermögen der Gemeinden hat sich vermehrt um die an dieselben ausgehändigten Kirchen- und Pfrundgutkapitalien. Ein nicht unbedeutender Teil des Zuwachses mag früher verheimlichtes Kapital gewesen sein, das die Furcht vor der Nach- und Strafsteuer (das feinere Steuergewissen) und der Druck der Steuerbehörden unter die Steuerpresse getrieben haben. Möchte die wirtschaftliche Prosperität andauern, die Wirtshaus-, Fest- und Vereinsmeierei zurückgehen und das Steuergewissen immer zarter werden!

## IV. Gewerbefonds.

|                      |                  |
|----------------------|------------------|
| Einschätzung 1906/07 | Fr. 100,773,946. |
| „ 1892 . . . „       | 90,425,697.      |
| Zuwachs . . . . . „  | 10,348,249.      |

Der Zuwachs dürfte ein grösserer sein, wenn bei der Einschätzung überall das einzig richtige Verfahren, Aufnahme des Bruttogewerbefonds und der Geschäftspassiven, beobachtet würde. Viele Steuerpflichtige deklarieren aber nur den Nettogewerbefonds. Bei richtiger Angabe desselben entsteht für die Besteuerung kein Nachteil; die Darstellung des arbeitenden Geschäftsvermögens (eigenes und fremdes) ist jedoch keine vollkommene.

## V. Fahrhabe (Haushaltungsmobiliar).

|                      |                  |
|----------------------|------------------|
| Einschätzung 1906/07 | Fr. 102,828,678. |
| „ 1892 . . . „       | 52,800,723.      |
| Zuwachs . . . . . „  | 50,027,955.      |

Die Wertzunahme um beinahe 100 % hat ihren Grund in der allgemein genauern und gleichmässigen Einschätzung in den letzten Jahren (Vorschrift: zirka 80 % des Versicherungswertes). Das mobile Vermögen im Kanton Aargau ist um rund Fr. 360,000,000 versichert. Als Gewerbefonds und Fahrhabe sind nur rund Fr. 203,500,000 in die Steuerbücher eingestellt (56 % der Versicherungssumme). Dass der eingestellte Betrag nicht höher ist (70—80 %), rührt nur zum Teil von zu niedriger Einschätzung her, zum Teil von dem oben bemerkten formell unrichtigen Verfahren bei der Deklaration und Taxation des Gewerbefonds, zum Teil auch davon, dass die Fahrhabe vielfach, wenn ihr Wert den steuerfreien Betrag von Fr. 500 nicht übersteigt, in die Steuerbücher nicht eingetragen wird.

## VI. Schulden.

|                        |                  |
|------------------------|------------------|
| Totalbetrag 1906/07    | Fr. 365,952,001. |
| „ 1892 . . . „         | 233,959,376.     |
| Mehrbetrag . . . . . „ | 131,992,625.     |

Eine Vermehrung der Schulden in 14 Jahren um rund Fr. 132,000,000 (59 %) ist eine etwas bedenkliche Erscheinung. Allerdings sind Brutto- und Reinvermögen ebenfalls gewachsen, ersteres um mehr als das Dreifache, letzteres um mehr als das Zweifache der Schuldenvermehrung. Allein ein grosser Teil dieser Vermögensvermehrung hat sich ergeben aus der Höherentaxation der Gebäude und der Fahrhabe. Dass auch das Kapitalvermögen erheblich zugenommen hat, mag etwas beruhigen, ebenso die Tatsache, dass die Mehrschulden der Gemeindewesen für Schulhausbauten, Wasserversorgungsanlagen u. a. mit rund Fr. 18,000,000 in obigem Mehrbetrag inbegriffen sind, und auch die Tatsache, dass ein grosser Betrag der Schulden aufgenommene Gelder sind, die in Industrie, Gewerbe und Handel produktive Verwertung finden.

## VII. Bruttovermögen.

|                                        |                    |
|----------------------------------------|--------------------|
| Betrag 1906/07 . . .                   | Fr. 1,318,468,522. |
| „ 1892 . . . „                         | 886,707,946.       |
| Vermehrung . . . „                     | 431,760,576.       |
| Sie setzt sich zusammen aus Zuwachs an |                    |
| Gebäuden . . . .                       | Fr. 193,224,471,   |
| Grundbesitz . . . .                    | „ 26,353,546,      |
| Kapital . . . . .                      | „ 151,806,355,     |
| Gewerbefonds . . . .                   | „ 10,348,249,      |
| Fahrhabe . . . . .                     | „ 50,027,955.      |

## VIII. Reinvermögen.

|                      |                  |
|----------------------|------------------|
| Betrag 1906/07 . . . | Fr. 952,516,521. |
| „ 1892 . . . . „     | 625,748,570.     |
| Vermehrung . . . .   | „ 299,767,951.   |

## IX. Kapital und Schulden.

|                               |                  |
|-------------------------------|------------------|
| Betrag der Schulden 1906/07   | Fr. 365,952,001. |
| Betrag der Kapitalien 1906/07 | „ 348,371,384.   |
| Mehrbetrag der Schulden . . . | „ 17,580,617.    |

Es ist anzunehmen, dass die Schulden ziemlich vollständig angemeldet werden. Wären alle Gläubiger aargauische Steuerpflichtige und fände keine Kapitalverheimlichung statt, so müssten Fr. 17,580,617 mehr Kapitalien versteuert werden. Tatsächlich werden bedeutende Summen an auswärts wohnende Gläubiger geschuldet und unterliegen als Kapitalien der Steuerpflicht im Aargau nicht, während sie als Schulden zur Abrechnung gelangen müssen. Welche Höhe diese Summen erreichen, entzieht sich der Berechnung, wie auch das Umgekehrte nicht berechnet werden kann. Das jedoch ist durch diese Vergleichung erwiesen, dass die Kapitalverheimlichung im Aargau keine so ungeheuerliche ist, wie immer wieder gefabelt wird.

## X. Erwerb.

|                         |                 |
|-------------------------|-----------------|
| Totalbetrag 1906/07 . . | Fr. 60,483,587. |
| „ 1892 . . . . „        | 37,826,754.     |
| Vermehrung . . . . .    | „ 22,656,833.   |

Die Erwerbsvermehrung um Fr. 22,656,833, 60 %, ist Zeugnis einerseits des Wachsens der Erwerbs-einnahmen, anderseits Beweis dafür, dass sich die Steuerbehörden mit Erfolg bemüht haben, möglichst genau zu taxieren. Dass gleichwohl über Ungleichheit und Ungerechtigkeit der Taxation weiter lamentiert wird, liegt in der Natur der Sache.

Der zu Steuerzwecken ermittelte Erwerb beträgt rund Fr. 60,000,000.

Der nicht besteuerte Zins à 4 % des abträglichen besteuerten Reinvermögens von zirka Fr. 600,000,000 beträgt Fr. 24,000,000.

Das Totaleinkommen beziffert sich auf Fr. 84,000,000, oder auf rund Fr. 400 per Kopf der Bevölkerung und auf rund Fr. 1600 per 4köpfige Familie.

## XI. Steuern.

Die  $\frac{3}{4}$  Staatssteuer beträgt rund Fr. 1,000,000. Sämtliche Gemeindesteuern betragen laut Zusammenstellung der Direktion des Innern rund Fr. 4,000,000.

Summa der direkten Staats- und Gemeindesteuern Fr. 5,000,000, oder per Kopf der Bevölkerung rund Fr. 25, per 4köpfige Familie rund Fr. 100.

Aarau, Dezember 1907.

*Der kantonale Steuerpräsident:*

**J. Kistler.**

I. Immobiles Vermögen 1906/07 und 1892.

| Gemeinden                   | Gebäude           |                   |                   | Grundbesitz       |                   |                   | Gebäude und Grundbesitz |                   |                   |
